October 22, 2015

Ms. Emily Albertton
Director of Engineering
Foster Dawson Group, Inc.
449 State Lane Road
Falls Fountain, GA 11991

Dear Ms. Albertton:

After discussing the position of civil engineer at Foster Dawson Group, Inc. with Jason Thomasson at Auburn University's Engineering and Technical Expo, I immediately wanted to apply. The blend of design and technical skills required of this position build upon the civil engineering education I've received at Auburn, fit well with the three co-op rotations I completed and match my career goals closely.

POSITION REQUIREMENTS

- BS Degree in Engineering
- Ability to use AutoCAD
- Knowledge of structures
- Project management skills

MY QUALIFICATIONS

- Bachelor of Civil Engineering
- Proficiency in using AutoCAD to create plans
- Completion of Structural Analysis course and co-op experience with a local design/build firm
- Team leader of senior design project; scheduled deadlines and delegated tasks to a group of 3 peers

Foster Dawson's focus on improving society through the enhancement and repair of existing structures aligns with my interest in preservation and green building. Additionally, the company's commitment to supporting employee development through ongoing education appeals to my natural desire to learn new things. Thank you for your time and I welcome the opportunity to meet with you to discuss this position further. You are welcome to view my online résumé and portfolio www.portfolioland.web/mtwatts. I will follow-up with you after the closing date of this position to answer any addition questions you may have.

Sincerely,

Mary Thomas Wattson
