RELATED COURSEWORK

Advanced Composition, Research for Newswriting, Journalism, Current Issues in Reporting

EXPERIENCE

Intern: Staffwriting; May 2014-August 2014
TopTier Magazine; Columbus, GA

- Provided research assistance to a team of eight staffwriters, resulting in increased knowledge of the journalism workplace.
- Created and published five original articles based on research.
- Communicated with subjects of articles to ensure quality and honest publication.

Staffwriter: The Plainsman; August 2013-present
Auburn University; Auburn, AL

- Crafted one article each week for the Current Events Column to raise awareness of world issues on campus.
- Promptly met publication deadlines, contributing to the newspaper's team of 20 staff.
- Developed sound research practices and applied interview skills learned in classes.

Writing Center Tutor; August 2011-present
Auburn University; Auburn, AL

- Taught students how to engage in "the writing process" by scheduling appointments to coincide with the writing process, including research, drafts, and final edits.
- Focused on the writer as a whole person, rather than focusing solely on presenting assignment.
- Cultivated a professional reputation with students and professors, resulting in a clientele base referred by professors or classmates.
