**PATHWAYS**: Bachelor of Science in Rehabilitation & Disability Studies

### COURSE SELECTION

**FRESHMAN**
- Concentrate on taking University Core coursework

**SOPHOMORE**
- Complete RSED 3020 Intro to Rehab and RSED 3120 Assessment in Rehab to become more familiar with the major and to build upon in future courses
- Review elective options with your academic advisor and faculty advisor to make sure the most appropriate ones are selected or being selected

**JUNIOR**
- Schedule RSED 4100 Professional Communications in Rehab during your senior year
- Work on completing all necessary coursework and practicum hours for graduation
- Successfully complete internship

**SENIOR**
- Check in each term with your academic advisor in Professional Education Services (3464 Haley) to discuss your progress and available support services
- Continue to meet regularly with your academic advisor
- Meet with your faculty advisor as needed to discuss individual progress and program expectations
- Meet with your academic advisor and faculty advisor as needed to ensure all graduation requirements are met
- Ask the UCC for help in updating your résumé and cover letter
- Identify potential reference letter writers early
- Schedule a mock interview through the UCC

### ASK FOR ASSISTANCE

**GAIN EXPERIENCE**
- Volunteer with community and campus organizations such as Best Buddies or Project Uplift
- Use Handshake to explore employers actively hiring in your field and search part-time jobs that can add experience to your resume.

- Take advantage of opportunities to observe or shadow professionals in your field; consider different opportunities that could develop into practica or internships for junior and senior year
- Use LinkedIn (linkedin.com/alumni) to identify past graduates in your major
- Contact them to set up informational interviews and shadowing opportunities to gain further understanding of your major in the world of work

- Examine career opportunities related to the field of rehabilitation
- Explore graduate or professional school opportunities

- Participate in career fairs sponsored by the UCC
- Talk with your professors about career opportunities and future professional development

### GET INVOLVED

- Join the College of Education Student Council
- Utilize AUInvolve to identify organizations of interest

- Apply to become a College of Education Student Ambassador
- Pursue leadership roles in an organization

- Develop professional relationships during field experiences

- Connect with AU alumni and stakeholders to enhance professional opportunities
