**PATHWAYS**

**WILDLIFE: Pre-Veterinary Concentration**

Bachelor of Science in Wildlife Science

---

### COURSE SELECTION

- **FRESHMAN**
  - You will complete Pre-Vet General Education requirements to include English 1110/1120, BIOL 1020/1021, BIOL 1030/1031, CHEM 1030/1031, CHEM 1040/141, MATH 1610.

- **SOPHOMORE**
  - Take WILD 2050: Wildlife Conservation History and Law. You will learn the history of wildlife conservation in North America, the conservation problems that have arisen since European settlement, and the laws and practices that have evolved to remedy them.

- **JUNIOR**
  - Take WILD 5290: Mammalian Ecology and Management. This is an intensive study of the ecology and management of selected artiodactyls (deer), rodents, lagomorphs (rabbits), bats, carnivores, and herps (lizards, snakes, frogs).

- **SENIOR**
  - Introduce yourself to your faculty academic advisor and plan to meet with them twice during this year. Discuss admission requirements of Veterinary Medicine School.

### ASK FOR ASSISTANCE

- Academic Support provides several free resources to improve academic performance, including Study Partners, Supplemental Instruction and academic coaching. (auburn.edu/academic support)

- Meet with Admissions Advisor at the Auburn School of Veterinary Medicine for clarification on Vet School application process. All Vet Schools do not have same requirements!

### GAIN EXPERIENCE

- Begin volunteer work in veterinary setting. Minimum of 400 volunteer hours needed.
- Use Handshake to explore employers actively hiring in your field and search part-time jobs that can add experience to your resume.

### GET INVOLVED

- Join the Pre-Veterinary Medical Association, Wildlife Society Club, Forestry Club, SFWS Student Ambassadors, and/or Zoo, Exotics, & Wildlife Club
- Utilize AUInvolve (auburn.edu/auinvolve) to identify organizations of interest, to attend meetings and enhance your resume
- Continue to invest time in your selected organizations, and begin to identify leadership opportunities if you have not already done so.
- Become an Officer in the Pre-Veterinary Medical Association.

---
