COURSE SELECTION

FRESHMAN
- Familiarize yourself with horticulture as a major and learn biology and chemistry that serves as a base for all future coursework
- Gateway Courses: Core courses, HORT 1010 (fall), BIOL 1020 (fall), BIOL 1030 (spring), CHEM 1030/1031

SOPHOMORE
- You will be broadening your knowledge of horticulture as you dig deeper into your major.
- Gateway Courses: HORT 2010 (Fall)

JUNIOR
- Gateway Courses: HORT 3950

SENIOR
- GROUP 1 AND GROUP 2 COURSES

ASK FOR ASSISTANCE

- Meet with your assigned faculty advisor each semester to discuss your major and academic plan.
- Academic Support provides several free resources to improve academic performance, including Study Partners, Supplemental Instruction and academic coaching (auburn.edu/academic support)
- Meet with a counselor in the University Career Center (UCC) to explore career options and receive individualized assistance.
- Work with the UCC to update your resume and cover letter.

GAIN EXPERIENCE

- Check your “This Week on Ag Hill” and “Find Your Career” e-mails to learn about ways you can get involved and gain experience on campus.
- Use Handshake to explore employers actively hiring in your field and search part-time jobs that can add experience to your resume.
- Consider traveling abroad. The college offers Study Abroad Scholarships to students studying abroad.
- Apply to the Ag Alumni Mentoring Program. Students get to take part in job shadowing opportunities, networking opportunities, and see first hand where your degree can take you.
- Pursue opportunities for an internship.
- Attend professional development events (Career Fairs, Etiquette Dinners, Workshops)
- Pursue leadership roles in your organization to exercise and enhance your skills.
- Attend AU Career Fair
- Attend professional conferences and take part in industry tours.

GET INVOLVED

- Join the College of Agriculture Student Services Facebook page for college and major updates, and internship and job postings.
- The Horticulture Club is a professional organization for students interested in horticulture.
- Volunteer! Seek out opportunities that cater to your interest and also challenge you to get out of your comfort zone.
- Utilize AUInvolve (auburn.edu/auinvolve) to identify organizations of interest, to attend meetings and enhance your resume.
- Gamma Sigma Delta is the Honor Society of Agriculture. The organization is dedicated to recognizing your academic achievements.
- Consider traveling abroad. The college offers Study Abroad Scholarships to students studying abroad.
- Attend professional conferences and take part in industry tours.
- Pursue leadership roles in your organization to exercise and enhance your skills.
- Contact them to set up informational interviews and shadowing opportunities to gain further understanding of your major in the world of work.

Career Planning

University Career Center
303 Mary Martin Hall | career.auburn.edu
As a student in production horticulture, you will find many opportunities to support fruit and vegetable production, including cooperative extension, research with private companies and government agencies such as the USDA-ARS, and marketing.

GROWTHapotential
