Horticulture: Pre-Landscape Architecture
Bachelor of Science in Horticulture

COURSE SELECTION
- Familiarize yourself with horticulture as a major and learn the biology and chemistry that serves as a base for all future coursework
- Gateway Courses: Core courses, HORT 1010 (fall), BIOL 1020 (fall), BIOL 1030 (spring), CHEM 1030/1031

FRESHMAN
- You will be broadening your knowledge of horticulture as you dig deeper into your major.
- Gateway Courses: HORT 3220 (Fall)

SOPHOMORE
- You will begin in the summer in the Landscape Architecture department.
- Gateway Courses: HORT 3950, HORT 4270

JUNIOR
- Complete coursework in Landscape Architecture department.

SENIOR
- Meet with your assigned faculty advisor each semester to discuss your major and academic plan.
- Academic Support provides several free resources to improve academic performance, including Study Partners, Supplemental Instruction and academic coaching. (auburn.edu/academic support)

ASK FOR ASSISTANCE
- Meet with a counselor in the University Career Center (UCC) to explore career options and receive individualized assistance.
- Work with the UCC to update your resume and cover letter.

GAIN EXPERIENCE
- Check your “This Week on Ag Hill” and “Find Your Career” e-mails to learn about ways you can get involved and gain experience on campus.
- Use Handshake to explore employers actively hiring in your field and search part-time jobs that can add experience to your resume.
- Consider traveling abroad. The college offers Study Abroad Scholarships to students studying abroad.
- Apply to the Ag Alumni Mentoring Program. Students get to take part in job shadowing opportunities, networking opportunities, and see first hand where your degree can take you.

GET INVOLVED
- Join the College of Agriculture Student Services Facebook page for college and major updates, and internship and job postings.
- The Professional Landcare Network (PLANET) gives students professional opportunities in landscape horticulture.
- Volunteer! Seek out opportunities that cater to your interest and also challenge you to get out of your comfort zone.
- Utilize AUInvolve (auburn.edu/auinvolve) to identify organizations of interest, to attend meetings and enhance your resume.
- Pursue leadership roles in your organization to exercise and enhance your skills.
- Gamma Sigma Delta is the Honor Society of Agriculture. The organization is dedicated to recognizing your academic achievements.
