UNIV 1150: Navigate Your Career Pathway

Make connections from your major to career opportunities and specific industries of interest for future employment. Learn ways to market yourself effectively in relation to your skills and strengths while identifying experiential opportunities such as internships or cooperative education routes. Create a path for your future career and identify the steps you need to take to get there.

Taught by Career Counselors in the University Career Center

2 credit hour course
• 1 section reserved only for transfer students
• 3 sections open to incoming first year students
